Extract From Rules

10. There shall be an annual membership fee of £150.00 for senior playing members', £75.00 for students / colts and £60.00 for Juniors up to and including u17s, payable by the 1st October every year or 4 weeks after joining the club. Any person who has not paid their membership by the specified time will not be considered a member of the club until such time as the fee has been paid.

11. There shall be no match fee for all playing members

12. The committee may reduce or increase the annual membership or match fee payable by any member for any reason.

13. Any member may resign his membership by giving to the general secretary notice in writing to that effect and paying all arrears of subscriptions and other amounts owing to the club.

35. Any difference which may arise as to the meaning or the interpretation of the rules shall be determined by the general committee whose decision shall be final and binding upon all members of the club.

Insurance

Playing members are covered for serious playing injuries by the club's insurance organised through the RFU. Members should note however that this only covers very serious injury (death, paralysis, loss of a limb, blindness, permanent disability which make you unable to continue working etc...).

Members are advised to consider taking out additional personal injuries cover, especially where an injury might result in loss of earnings. For further details, contact Nick Dance (number listed above).
